(Pastor or Financial Officer)

---

CEPA application forms are to be used for any person living within the Mission Center who is in need of financial assistance, for any age and any Mission Center function for which there is a registration fee, except Spectacular at Graceland University.

1. The application is to be given to the applicant for completion and then returned to the designated CEPA representative. The CEPA rep will then complete the application. **(CEPA reps are the pastor or financial officer of the congregation.)**
2. The CEPA rep will then send the application to the Mission Center Office. Applications must be in the Mission Center office by registration deadline for the event. In the case of graduated deadline fee, CEPA will pay at most 1/3 **(if approved)** of the earliest fee --- the applicant must pay the difference.
3. The applicant is responsible for sending in their event application to the appropriate person and address, accompanied by the applicant's portion of the cost.
4. Mail completed and signed camp application for each event to Community of Christ, PO Box 4077, Huntington Beach, CA 92605-4077
