

IMPORTANT NEWS TO SHARE FOR SHAMROCK MINISTRIES

Being engaged in this ministry has been such a great joy for me, and hopefully a blessing to others! One challenge is to generate income for sustainability and growth...and I found one that includes YOU in MINISTRY and GENEROSITY!

Go to www.sendoutcards.com/storefront/scmcshamrock

You can now choose from 15,000 cards to buy from the convenience of your home or “traveling” computer, have postage attached, and a little leprechaun mails it for you!

The cost is \$2.99 per card (including postage) and SHAMROCK MINISTRIES will receive \$1.50 for each card sent....yep...I said \$1.50 as a gift to the program and you are sending personal love, joy, hope and peace to friends and family!

I still use and cherish my Blue Mountain and Jacquie Lawson on line cards, but some people don't have option for receiving these on line and others just LOVE a card in the mail and you can personalize messages, send pictures, etc. You can also add gifts if desired from this site.

We will do an in-service at the St Patrick's Day Event next week....[RSVP now for a special and fun day together.](#) You can also contact me personally for more details on SendOutCards and getting started for your retail shopping, or more!

We are entering a BIG Card selling/sending time with St Patrick's Day, Passover, Easter, Graduations, and Mothers and Fathers Day.

PLEASE CONSIDER THIS OPPORTUNITY TO REACH OUT TO OTHERS AND DROP A FEW GOLD COINS IN THE SHAMROCK POT! BLESSINGS TO ALL! Denise
